Summary of Changes:

The following changes have been made to the RFP document for RFP 17-034:

- 1)** The Cost Proposal (Attachment C) and Cost Proposal Narrative Template (Attachment D) have been updated with the following changes:
 - a.** All references to “indirect costs” have been removed from both attachments. Indirect costs are not permitted with use of the funds available and, therefore, all references to that cost category have been removed.
 - b.** The “Total Costs” format has been in Attachment C and Attachment D to include two columns of costs, one for each year of the initial 2-year contract term.

Please use updated versions of all RFP documents referenced in this addendum and disregard all previous versions.
